Notice Regarding Announcement of Financial Results for the Third Quarter of the Fiscal Year Ending March 31, 2026

KDDI CORPORATION (hereinafter referred to as “KDDI”) has today disclosed our "Financial Statements Summary for the nine-month period ended December 31, 2025 [IFRS] (Consolidated)." We would also like to inform you below of the reason why this disclosure was made more than 45 days after the end of the quarterly fiscal period.

1. Reasons for the Disclosure of Financial Statements Summary for the nine-month period ended December 31, 2025, Being Beyond 45 Days After the End of the Fiscal Quarter

As announced in the “Notice Concerning the Identification of Suspicions Regarding Inappropriate Transactions at Our Consolidated Subsidiaries and the Establishment of a Special Investigation Committee” dated January 14, 2026, due to the ongoing investigation by the Special Investigation Committee regarding suspicions that inappropriate transactions were conducted by KDDI’s consolidated subsidiaries, BIGLOBE Inc., and its subsidiary, G-PLAN INC. (hereinafter referred to as “the Matter”), the details of financial statements regarding the financial results for such quarter, including the impact of the Matter, remained uncertain. As a result, KDDI decided to postpone the disclosure of the Financial Statements Summary for the nine-month period ended December 31, 2025.

2. Regarding Future Financial Disclosures

KDDI takes the delay in the disclosure of its financial results on this occasion with the utmost seriousness and will dedicate ourselves to preventing any recurrence. KDDI plans to disclose its future financial statements summary within 45 days after the end of the fiscal quarter. We sincerely apologize to our shareholders, investors, business partners, and all other stakeholders for the considerable inconvenience and concern this has caused.
